Databases: MySQL, PostgreSQL, MongoDB, Firebase

Business & Analytics: Excel, Power BI, Tableau, Financial Modeling, Agile/Scrum, JIRA

Cloud: AWS (EC2, S3), Google Cloud Platform, Heroku

EXPERIENCE

Software Development Intern

June 2024 – August 2024

TechBridge Solutions | Los Angeles, CA

- Developed and maintained RESTful APIs using Node.js and Express, improving system response time by 30%
- Collaborated with a team of 5 developers using Agile/Scrum methodology to deliver features on schedule
- Built a data dashboard using React.js and Chart.js to visualize key business KPIs for stakeholders
- Wrote unit and integration tests achieving 85% code coverage using Jest and Mocha

Business Analyst Intern

January 2024 – May 2024

Pacific States University — Student Business Hub | Los Angeles, CA

- Analyzed student startup data and presented findings to university board, resulting in revised funding criteria
- Automated monthly reporting workflows using Python and Excel macros, saving 6 hours of manual work per month
- Conducted competitive market analysis for 3 student-led ventures to guide strategic planning

PROJECTS

SmartBudget — Personal Finance Web App

Built a full-stack budgeting application using React, Django, and PostgreSQL. Implemented JWT authentication, expense categorization, and monthly trend charts. Deployed on AWS with CI/CD via GitHub Actions.

Campus Connect — University Event Platform

Developed a campus event discovery platform for PSU students using Node.js and MongoDB. Integrated Google Maps API and real-time notifications via WebSockets. 200+ active users within first month.

Supply Chain Analytics Dashboard

Created an interactive Power BI dashboard analyzing supply chain inefficiencies for a case competition. Identified cost-saving opportunities worth \$40K+ using predictive modeling.

CERTIFICATIONS & ACHIEVEMENTS

- AWS Certified Cloud Practitioner — Amazon Web Services, 2024
- Google Data Analytics Professional Certificate — Coursera, 2023
- Dean's List — Pacific States University, Fall 2023 & Spring 2024
- 1st Place — PSU Entrepreneurship Pitch Competition, 2024
- Hackathon Finalist — SoCal Tech Hack 2023 (Top 10 of 120+ teams)
